Education

Michigan State University
December 2020
 3.79 GPA

- **Experience Architecture Major**
 Interdisciplinary user experience design and research program. Wireframed, researched accessibility, and practiced usability for the City of Lansing and MSU XA Websites. Technical, digital, and cultural rhetoric proficiencies.
- **Museum Studies Minor**
 Learned how to design and research for maximum education, entertainment, and connections in physical environments.

Experience

Design for America Studio Lead
Jan. 2019 – Current

Utilized a human-centered design process to help stakeholders innovate for the good of their community. Learned Project management and design thinking. Worked with stakeholders such as YMCA of the USA, Our Michigan Avenue, and A-CAPP MSU.

College of Arts & Letters
Jan. – May 2020

Research Analysis Intern
 Interned for Dr. Laura Yares by developing an argument for how young adults interact in physical space. Cleaned transcripts of talk-throughs and interviews for 25+ participants. Compiled findings of the effects gift shop artifacts have on audiences.

MSU Broad Museum
July 2019 – Aug. 2020

Gallery Guide
 Worked in galleries to achieve an enjoyable and provocative experience with contemporary art in the space. Conversated with guests to ensure they had educational and welcoming visits. Assisted in event production. Performed maintenance in galleries.

Urban Outfitters
June 2019 – March 2020

Floor Specialist and Sales Associate
 Challenged to work as part of a team in a store with constant action. Led service on sales floor. Developed ambience through product, display, and plant placement.
